Subject: Board of Commissioner's Meeting of September 17, 2018

Good morning.

In anticipation of Florence and after consultation with chair Anderson, Monday's meeting of the Board of Commissioners is cancelled. In the absence of any critical issues, we will plan on meeting on our regularly scheduled date of October 15, 2018.

We have been vigorously implementing our hurricane preparedness plan, expecting the worse. Please feel free to contact me if you have any questions.
