INDEPENDENT AUDITORS' REPORT

To the Board of Commissioners
Housing Authority of the City of New Bern
New Bern, North Carolina

Report on the Financial Statements

We have audited the accompanying financial statements of the business-type activities of the Housing Authority of the City of New Bern, North Carolina, HUD Project No. NC005, as of and for the year ended December 31, 2018, and the related notes to the financial statements, which collectively comprise the Housing Authority of the City of New Bern's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Housing Authority of the City of New Bern as of December 31, 2018, and the changes in its net position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis on pages 3 through 8 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary and Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Housing Authority of the City of New Bern's basic financial statements. The budgetary schedule, certificates of actual capital fund program costs, as well as the schedule of expenditures of federal awards as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and the Financial Data Schedule required by the U.S. Department of Housing and Urban Development are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The budgetary schedule, certificates of actual capital fund program costs, the schedule of expenditures of federal awards, as well as the Financial Data Schedule are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 16, 2019, on our consideration of the Housing Authority of the City of New Bern's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Housing Authority of the City of New Bern, North Carolina's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Housing Authority of the City of New Bern's internal control over financial reporting and compliance.

HOUSING AUTHORITY OF THE CITY OF NEW BERN, NORTH CAROLINA

Management's Discussion and Analysis
For the Year ended December 31, 2018

The management of the Housing Authority of the City of New Bern (the "Authority") offers readers of the Authority's financial statements this management's discussion and analysis to (a) assist the reader in focusing on significant financial issues, (b) provide an overview of the Authority's financial activity, (c) identify changes in the Authority's financial position, and (d) identify individual fund issues or concerns for the fiscal year ended December 31, 2018.

Since the Management's Discussion and Analysis (MD&A) is designed to focus on the current year's activities, resulting changes and currently known facts, we encourage readers to read it in conjunction with Authority's financial statements, which follow this narrative.

Financial Highlights

- The Authority's Net Position decreased by \$1,553,487 (or 12.04%) to \$11,345,051 as compared to fiscal year end 2017. Net Position invested in capital assets, net of related debt decreased by \$2,139,605 (or 25.95%) to \$6,103,988 as compared to fiscal year 2017.
- Unrestricted Net Position increased by \$586,118 (or 12.59%) to \$5,241,063 as compared to fiscal year 2017.
- The business-type activity operating revenues increased by \$195,397 (or 8.06%) to \$2,620,910 for the year ended December 31, 2018.
- Total operating expenses of all the Authority's programs increased by \$9,022 (or .26%) to \$3,415,459 for the year ended December 31, 2018.

Overview of the Financial Statements

The Authority's annual report consist of three major components; 1) the "Management's Discussion and Analysis (MD&A)", 2) "Basic Financial Statements", and 3) "Other Required Supplementary Information". Because the Authority is a special-purpose government entity engaged in business-type activities only, the financial statements are presented in accordance with paragraph 138 of GASB Statement 34. In addition to the management's discussion and analysis, management has prepared the Statement of Net Position, the Statement of Revenues, Expenses and Change in Net Position, the Statement of Cash Flows, and Notes to the Financial Statements following the MD&A.

The Statement of Net Position, which is similar to a Balance Sheet, reports all financial and capital resources for the Authority. The statement is presented in the format where assets minus liabilities, equals "Net Position", formerly known as equity. Assets and liabilities are classified as "Current" (convertible within one year) and "Non-Current"

The focus of the Statement of Net Position is designed to represent the net available liquid (non-capital) assets, net of liabilities, for the entire Authority. Net Position is reported in three broad categories, Invested in Capital Assets, Net of Related Debt, Restricted, and Unrestricted.

Net Position, Invested in Capital, Net of Related Debt consists of all Capital Assets, reduced by the outstanding balances of any bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.

Restricted Net Position consists of restricted assets, when constraints are placed on the assets by creditors, grantors, contributors, laws, regulations, etc. The Authority had \$0 in Restricted Assets as of December 31, 2018.

HOUSING AUTHORITY OF THE CITY OF NEW BERN, NORTH CAROLINA

Management's Discussion and Analysis
For the Year ended December 31, 2018

Unrestricted Net Position consist of amounts that do not meet the definition of "Invested in Capital Assets, Net of Related Debt", or "Restricted".

The Statement of Revenues, Expenses, and Changes in Net Position which is similar to an Income Statement, includes Operating Revenues such as rental income, Operating Expenses such as administrative, utilities, maintenance, and depreciation, and Non-Operating Revenue and Expenses, such as grant revenue, investment income, and interest expense.

The Statement of Cash Flows discloses net cash provided by, or used for operating activities, non-capital financing activities, and from capital and related financing activities.

In addition to the financial statements, this report contains other supplemental information that will enhance the reader's understanding of the financial condition of the Authority.

Overview of the Authority

The Housing Authority of the City of New Bern's primary mission is to provide affordable low income housing to those eligible in the City of New Bern area as determined by the US Department of Housing and Urban Development (HUD). The Authority's operations and capital fund programs are funded almost entirely through rental fees and subsidies received from HUD.

Fund Financial Statements

The financial statements are presented on the fund basis. The fund financial statements provide a more detailed look at the Authority's most significant activities by focusing on the individual activities of the major funds. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Authority, like all other governmental entities in North Carolina, uses fund accounting to ensure and reflect compliance, or non-compliance, with finance-related legal requirements, such as the General Statutes (G.S.), the Authority's budget ordinance, or applicable HUD guidelines. The focus is now on the activities of the major funds, and not on the type of fund. The Authority maintains several different funds based on their activities as required by HUD and for accountability and control. All of the funds are enterprise funds which use the full accrual basis of accounting and account for the Authority's activities in a manner similar to a for-profit business.

Notes to the Financial Statements

The next section of the financial statements is the notes to the financial statements. The notes provide additional information that is essential to a full understanding of the data provided in the financial statements. The notes to the financial statements are on pages 13-24 of this report. After the notes, supplemental information is provided to show other financial information about the Authority's individual funds.

Other Information

In addition to the basic financial statements and accompanying notes, this report includes certain required supplementary information required by the US Department of Housing and Urban Development.

Net Position may serve over time as one useful indicator of a government's financial condition. The assets of the Authority exceeded liabilities by \$11,345,051 as of December 31, 2018. The Authority's Net Position decreased by \$1,553,487 for the fiscal year ended December 31, 2018. The largest portion of Net Position (53.80%) reflects the Authority's investment in capital assets (e.g. Land, buildings and improvements, furniture and equipment, and vehicles), less any outstanding debt issued to acquire those items. The Authority uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. The Authority's investment in its capital assets has no outstanding debt issued to acquire those items. Included in noncurrent assets are Notes Receivable of \$4,130,000 for the capital lease from the Craven Terrace project. An offsetting liability of \$4,130,000 is included in noncurrent liabilities. The remaining balance consists of \$0 restricted funds and \$5,241,063 of unrestricted funds.

Economic Factors

- Federal funding provided by Congress to the Department of Housing and Urban Development
- Local labor supply and demand, which can affect salary and wage rates
- Local inflationary, recessionary, and employment trends, which can affect resident incomes and therefore the amount of rental income
- Inflationary pressure on supplies and other cost

Management's Discussion and Analysis
For the Year ended December 31, 2018

Accomplishments

Trent Court had 218 units of public housing. Built in 1941, it is very difficult to maintain and is functionally obsolete. Its location, adjacent to Lawson's Creek, is attractive and desirable for redevelopment.

In furtherance of the recently completed Greater Five Points Transformation Plan, which was prepared under the auspices of a HUD Choice Neighborhood Initiative Planning Grant, we procured the services of a developer to create a plan for its implementation. It was determined that the first step was to submit a Low-Income Housing Tax Credit application to build 84 units of affordable, off-site housing. A feasible and competitive site was identified, and a purchase option was executed with the owner, the City of New Bern. Thereafter, an application was finalized and submitted to the North Carolina Housing Finance Agency for consideration.

The scope and direction of the Authority, particularly the Trent Court development, changed suddenly on September 14, 2018, when Hurricane Florence ravaged New Bern and its environs. Trent Court was devastated leaving 108 public housing units uninhabitable. Housing Authority staff immediately undertook emergency actions to ensure that all affected residents had meals and a roof over their heads.... even if only on a temporary basis. Then recovery efforts began. These included the massive task of site clean-up and unit mitigation. Our administrative building was destroyed, and a temporary office was established at project-based Section 8 development, New Bern Towers, owned by the Authority. An application for Housing Choice Vouchers was submitted to HUD. Our partners, Twin Rivers Opportunities agreed to administer the Vouchers. Upon award, they were distributed to all our affected residents. Working with HUD, a preliminary demolition application was submitted thereby allowing the issuance of the Vouchers. (A full application will be submitted later.) Finally, new working relationships were established with FEMA and the North Carolina Department of Public Safety for the long-term recovery effort.

New Bern Towers consists of 106 apartments for seniors with Section 8 Project-Based Rental Assistance. The property is in good condition having benefitted from improvements made during the past two years. Work to enhance individual units started in 2017 and continued until September 2018 when work was interrupted by Hurricane Florence. This work will resume as we continue to recover.

HOUSING AUTHORITY OF THE CITY OF NEW BERN, NORTH CAROLINA
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2018

1. Summary of Significant Accounting Policies

The accounting policies of the Housing Authority of the City of New Bern, North Carolina (the "Authority") conform to generally accepted accounting principles as applicable to governments. The following is a summary of the more significant accounting policies.

A. Reporting Entity

The Housing Authority of the City of New Bern, North Carolina, is a public body and a body corporate and politic created under the authority of Chapter 157 of the General Statutes of North Carolina. The Authority was created for the purpose of providing safe and sanitary housing for the low-income citizens of the City of New Bern, North Carolina (the "City").

To accomplish this purpose, the City appoints a Governing Board of Commissioners, but the Board designates its own management. Additionally the Authority has entered into annual contribution contracts with the U.S. Department of Housing and Urban Development ("HUD") to be the administrator of the housing related programs described herein.

In determining how to define the reporting entity, management has considered all potential component units by applying the criteria set forth in Section 2100 and 2600 of the *Codification of the Governmental Accounting Standards Board* and *Financial Accounting Standards Board and Statement Number 39 and Statement Number 80 of the Governmental Accounting Standards Board, the Financial Reporting Entity*.

Financial Accountability – The Authority is responsible for its own debts, does not impose a financial burden on the City of New Bern, and is entitled to all surpluses. No separate agency receives a financial benefit nor imposes a financial burden on the Authority.

Appointment of a Voting Majority – The Authority is governed by a Board of Commissioners and has governance responsibilities over all activities related to all housing activities within the City of New Bern. The Board of Commissioners has decision-making authority and the power to designate management. The members do not serve at the discretion of the City; i.e., they can be removed only for cause. The Authority's Board elects its own chairperson.

Imposition of Will – The City has no influence over the management, budget, or policies of the Authority. The Authority's Board of Commissioners has the responsibility to significantly influence the Authority's operations. This includes, but is not limited to, adoption of the budget, personnel management, signing contracts, issuing bonds, and deciding which programs are to be provided.

On the basis of the application of these criteria, the Authority is a legally separate entity that is fiscally independent of other governments; therefore, the Authority is not included in the City of New Bern's financial reports.

Blended Component Unit – Although legally separate, Transformation Venture Capital is reported as if it was part of the Authority.

Transformation Venture Capital ("TVC") is organized as a non-profit to develop, acquire, rehabilitate, construct, operate and maintain decent and affordable public housing for low income families and the elderly in New Bern, North Carolina and associated regions.

Condensed combining information regarding the blended component unit is provided in Note 3.

HOUSING AUTHORITY OF THE CITY OF NEW BERN, NORTH CAROLINA
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2018

1. Summary of Significant Accounting Policies (Continued)

B. Description of a Public Housing Authority

Funding for public housing authorities is received from the United States Department of Housing and Urban Development (“HUD”) and from participants in public housing programs.

The Authority has 216 units in management.

<u>Management</u>	<u>Units</u> <u>12/31/17</u>	<u>Disposed</u>	<u>Units</u> <u>12/31/18</u>
Owned Housing	218	(108)	110
HAPs Program	<u>106</u>	<u> </u>	<u>106</u>
	<u>324</u>	<u>(108)</u>	<u>216</u>

The Authority began the year with 324 units under management. As a result of Hurricane Florence in September 2018 and localized flooding in the New Bern, North Carolina area, there was extensive damage to Trent Court properties. Management determined 108 of the 218 Trent Court units to be considered uninhabitable and damaged beyond repair. The 108 were disposed of and written off as of December 31, 2018.

C. Basis of Presentation – Enterprise Fund Accounting

The Authority’s accounts are organized as an enterprise fund. The operations are accounted for with a set of self-balancing accounts that comprise its assets, liabilities, net position, revenues and expenses. Enterprise funds are used to account for operations that provide a service to the public financed by charges to users of that service and activities where the periodic measurement of net income is deemed appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

D. Measurement Focus and Basis of Accounting

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. Enterprise funds are accounted for on a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities associated with the operation of this fund are included on the statement of net position, which is the result of deducting all the liabilities from all the assets. Net position is segregated into three components: 1) net investment in capital assets, 2) restricted assets, and 3) unrestricted assets. Operating statements for this fund present increases (e.g., revenues) and decreases (e.g., expenses) in total net position.

All funds of the Authority are maintained on the modified accrual basis during the year; however, the financial statements for the Authority have been reported on the accrual basis. Under this basis, revenues are recorded when earned and expenses are recorded when incurred. In converting from the modified accrual basis to the full accrual basis, the changes required may include adjustments for unpaid interest, depreciation, prepaid tenant rents payments of principal on outstanding debt, and capital outlay.

1. Summary of Significant Accounting Policies (Continued)

E. Budgetary Data

The Authority maintains budgetary controls over all funds, as required by North Carolina General Statute 159-42 (c-d) and the terms of the Authority's annual contributions contract with HUD. An annual budget is adopted for all enterprise funds, except for capital project funds. A multi-year budget is adopted for those funds. Expenditures may not legally exceed appropriations at the departmental level for the enterprise funds or at the object level for the capital project subsidiary fund. The management of the Authority may transfer appropriations within a fund up to \$500 without Board approval, except that all increases in appropriation to administration and capital expenditures must be approved by the Board. The budget was prepared on the modified accrual basis of accounting. The budget presented in these statements is the budget ordinance as amended through December 31, 2018.

F. Assets, Deferred Outflow of Resources, Liabilities, Deferred Inflow of Resources, and Net Position

Deposits and Investments

All deposits of the Authority are made in board-designated official depositories and are secured as required by HUD regulations. The Authority may designate as an official depository any bank or savings and loan association whose principal office is located in North Carolina. Also, the Authority may establish time deposit accounts such as NOW and Super NOW accounts, money market accounts, and certificates of deposit.

Section 401(e) of the federal annual contribution contract authorizes the Authority to invest excess funds in instruments issued by or guaranteed by the federal government. The Authority practices this policy for all invested funds, regardless of source. Investments with a maturity of more than one year at acquisition and non-money market investments are carried at fair value as determined by quoted market prices. Money market investments that have a maturity at the time of purchase of one year or less are carried at amortized cost.

As required by the annual contributions contract, the Authority prepares cash forecasts for each program to determine the amount of funds available for investment and to maximize investment earnings. During the fiscal year and at year-end, all cash was held in the form of interest bearing accounts. The deposits and certificates of deposit with an original maturity of three months or less are considered cash and cash equivalents for the Statement of Cash Flows. At December 31, 2018, the Authority had \$497,170 in cash equivalents.

Due from the United States Department of Housing and Urban Development

The amount due from HUD as of December 31, 2018 consisted of the Capital Fund Program payments earned as of December 31st but not received as of that date.

Due from Federal Emergency Management Agency

The amount due from FEMA as of December 31, 2018 consisted of grant proceeds for rehab expenses incurred as of December 31st but not received as of that date.

Allowance for Doubtful Accounts

All receivables that historically experience uncollectable accounts are shown net of an allowance for doubtful accounts. This amount is estimated by analyzing the percentage of receivables that were written off in prior years. The allowance was \$7,842 for tenant receivables and \$0 for other receivables at December 31, 2018.

Prepaid Items

Payments made to vendors for services that will benefit periods beyond the fiscal year-end are recorded as prepaid.

Capital Assets

Donated capital assets received prior to December 31, 2014 are stated at their estimated fair value on the date donated. This includes site acquisition and improvements, structures, and equipment. Donated capital assets received on or after January 1, 2015, are recorded at amortized cost, the price is adjusted for transportation costs but would not otherwise be adjusted for transaction costs.

Other capital assets are recorded at historical cost at the date of acquisition. It is the policy of the Authority to capitalize all assets costing more than \$1,000 with an estimated useful life of two or more years. The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend an asset's life are not capitalized. Capital assets are depreciated on a straight-line basis over the following estimated useful lives in years:

Buildings and improvements	15 - 40 years
Furniture and equipment	3 - 10 years
Vehicles	5 years

Inventories

Inventories are recorded at the lower of cost or net realizable value using the First-In, First-Out (FIFO) method. The Authority's inventory consists mostly of expendable supplies that are recorded as an expense as it is consumed or sold.

Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, *Deferred Outflows of Resources*, represents a consumption of net position that applies to a future period and so will not be recognized as an expense or expenditure until then. The Authority has no items that meet this criterion. In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *Deferred Inflows of Resources*, represents an acquisition of net position that applies to a future period and so will not be recognized as revenue until then. The Authority has no items that meet the criterion for this category.

Unearned Revenue

Unearned revenue consists of rental payments made by tenants in advance of their due date.

Compensated Absences

The Authority allows its full time employees to accumulate earned vacation leave, and such leave is fully vested when earned. An expense and a liability for compensated absences and the salary-related payments are recorded as the leave is earned.

Employees can accumulate 96 hours of sick leave annually and can be rolled forward indefinitely. Sick leave does not vest. Since the Authority has no obligation for the accumulated sick leave until it is actually taken, no accrual for sick leave has been made.

Operating Revenues

Subsidies received from HUD or other grantor agencies for operating purposes, are recorded as operating revenues. Those that are received for capital purposes are recorded as a capital contribution and included in non-operating revenues.

Net Position

Net position is classified into three parts; net investment in capital assets, restricted, and unrestricted. Restricted net position represent constraints on resources that are either externally imposed (as by creditors, grantors, contributors, or laws or regulations of other governments), or imposed by the law.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Advertising

Advertising costs are expensed as incurred. The Authority had \$0 of advertising expense during the year ended December 31, 2018.

Impairment of Long-Lived Assets

Accounting principles generally accepted in the United States of America require that long-lived assets and certain identifiable intangibles held and used by an entity be reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. The adoption of this accounting principle has not materially affected the Authority's reported earnings, financial condition or cash flows.

During the year ended December 31, 2018, it was determined that 108 units of the Trent Court properties were uninhabitable. The Authority disposed of assets with a net book value at date of disposal of \$1,191,593.

Income Taxes

As a political subdivision of the State of North Carolina, the Authority is exempt from federal and State income taxes.

2. Detailed Notes on All Funds

A. Assets

Deposits

The Authority's deposits are either insured or are collateralized using the dedicated method. Under the dedicated method of collateralization, all deposits that exceed the federal depository insurance coverage level are collateralized with securities held by the Authority's agent in the Authority's name. At December 31, 2018, the Authority's deposits had a carrying amount of \$4,019,943 and a bank balance of \$4,146,275. Of the bank balance \$372,309 was covered by federal depository insurance and \$3,773,966 was covered by collateral held under the dedicated method. The Authority's total cash balances were fully insured. The Authority has \$200 of cash on hand at December 31, 2018.

B. Liabilities

Pension Plan Obligation

The Authority provides a defined contribution pension plan through the Principal Financial Group for all eligible full-time employees. The Board of Commissioners authorized participation in the pension plan. The Authority contributes an amount equal to 6.8% of each employee's annual compensation to the plan. Employees are not required to contribute to the plan. Pension expense totaled \$39,236, \$41,137, and \$37,814 for the years ended December 31, 2018, 2017, and 2016 respectively. The financial statements for the plan are available by contacting Billings and Company at 712-239-0314 or by writing to 2020 Indian Hills Drive, Sioux City, IA 51104.

Operating Lease

On July 5, 2019, The Authority entered into a lease agreement with a third party for administrative offices. Monthly rent is \$2,500 and final payment is due July 31, 2021. Future payments on the lease are as follows:

<u>Year Ended</u>	
2019	\$ 12,500
2020	30,000
2021	<u>17,500</u>
	<u>\$ 60,000</u>

Capital Lease Obligation/Receivable

In December 2015, the Authority entered into a 99 year lease as a lessor with Craven Terrace, LP and Craven Terrace Phase II, LP (collectively known as the "Partnerships") whereby the Authority leases to the Partnerships land and buildings. The Partnerships agreed to pay a total base rental amount of \$4,130,000 to the Authority. Annual payments are due following completion of construction, but only if cash flows of the project allow. The interest rate on the lease is 2.61% and accrues annually. Total accrued interest was \$332,062 at December 31, 2018. An obligation in the amount of \$4,130,000 and a corresponding receivable have been recorded at December 31, 2018.

Assets held under the capital lease and the related accumulated depreciation have been included in property and equipment as follows as of December 31, 2018:

Building	\$ 18,291,134
Less Accumulated Depreciation	<u>14,654,278</u>
	<u>\$ 3,636,856</u>

Long Term Debt

On March 30, 2016, TVC received a direct subsidy of \$500,000 from a FHLB Pittsburgh with no stated interest. No payments of principal are due until maturity, December 18, 2055. The proceeds of this loan were lent to the Authority, which then lent the proceeds to Craven Terrace LP as disclosed in Footnote 2.C.

Conduit Debt

Mortgage revenue bonds related to the original acquisition and later modernization of the public housing developments were issued in 2015. These bonds were secured by a deed of trust, security agreement, and assignment of revenues from the project. This obligation does not constitute a debt or pledge of faith and credit of the Authority and accordingly, has not been reported in the accompanying financial statements.

The original amount issued totaled \$16,050,000 and as of December 31, 2018, \$10,848,677 remained outstanding.

C. Related Party Transactions

Accounts Receivable

Accounts Receivable – Related Party consists of amounts due from Better Vision Housing Corporation and Craven Terrace.

Better Vision Housing Corporation (“BVHC”) is a nonprofit instrumentality created in 2013 to work with the Authority in developing new housing for the citizens of New Bern and rehabilitating existing units in the Authority. During 2018, various projects were considered and put before the Board of Commissioners. The Authority paid for various expenses on behalf of BHVC related to these projects and as of December 31, 2018 operating accounts receivable amounts due were \$10,724.

The Authority agreed to provide supportive services for Craven Terrace LP for a contracted fee of 2.50% payable within 60 days following the end of Craven Terrace’s fiscal year. Supportive services fees on behalf of Craven Terrace LP as of December 31, 2018 due were \$59,840.

Notes Receivable – Related Party

Notes receivable related party represents \$500,000 receivable from Craven Terrace LP and \$500,000 receivable for Craven Terrace Phase II, LP to the Authority. There is no stated interest and annual repayments are due following completion of construction, but only if cash flows from the project allow.

Development Fee

Craven Terrace LP and Craven Terrace Phase II, LP (collectively known as “the Partnerships”) signed a lease with the Authority for the Craven Terrace land and buildings (see note 3). The Authority’s blended component unit, Transformation Venture Capital, is .005% owner in the Partnerships. The Authority has signed an agreement whereby the Partnerships will reimburse a total of \$781,353 in development fees for the Authority’s assistance with redeveloping Craven Terrace. As of December 31, 2018, \$33,257 is receivable.

D. Risk Management

The Authority is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters.

In accordance with G.S. 159-42, the Authority’s finance office is individually bonded for \$50,000. The Authority also has a blanket bond for the remaining employees who have access to inventories in the amount of \$100,000.

The Authority carries commercial insurance against all other risks of loss, including property and general liability insurance. There have been no significant reductions in insurance coverage in the prior year, and settled claims from these risks have not exceeded commercial insurance coverage in any of the last three fiscal years.

E. Claims and Judgments

At December 31, 2018, the Authority was not a defendant to any lawsuit. No provision was made in the audited financial statements for any contingent liabilities. In the opinion of management and the Authority attorney, there are no legal matters that will have a materially adverse effect on the Authority’s financial position.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Commissioners
Housing Authority of the City of New Bern
New Bern, North Carolina

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities of the Housing Authority of the City of New Bern, North Carolina, HUD Project No. NC005 (the "Authority") as of and for the year ended December 31, 2018 and the related notes to the financial statements, which collectively comprise the Housing Authority of the City of New Bern's financial statements, and have issued our report thereon dated September 16, 2019.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Housing Authority of the City of New Bern's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Housing Authority of the City of New Bern's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify a certain deficiency in internal control, described in the accompanying schedule of findings and questioned costs that we consider to be significant deficiency as 2019-1.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Housing Authority of the City of New Bern's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do

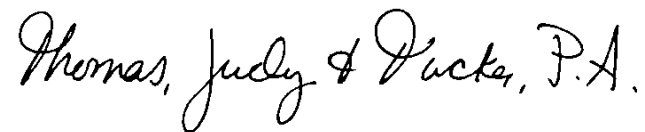

not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Housing Authority of the City of New Bern's Response to Findings

The Housing Authority of the City of New Bern's response to the finding identified in our audit are described in the accompanying schedule of findings and questioned costs. The Authority's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR
EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE
IN ACCORDANCE WITH THE UNIFORM GUIDANCE**

To the Board of Commissioners
Housing Authority of the City of New Bern
New Bern, North Carolina

Report on Compliance for Each Major Federal Program

We have audited the Housing Authority of the City of New Bern's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Housing Authority of the City of New Bern's major federal program for the year ended December 31, 2018. The Housing Authority of the City of New Bern's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for the Housing Authority of the City of New Bern's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Housing Authority of the City of New Bern's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of the Housing Authority of the City of New Bern's compliance.

Opinion on Public and Indian Housing

In our opinion the Housing Authority of the City of New Bern complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2018.

Qualified Opinion on Public and Indian Housing

In our opinion, except for the noncompliance described in the Basis for Qualified Opinion paragraph, the Housing Authority of the City of New Bern complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on Public and Indian Housing for the year ended June 30, 2019.

Report on Internal Control over Compliance

Management of the Housing Authority of the City of New Bern is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Housing Authority of the City of New Bern's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purposes described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weakness. However, we did identify certain deficiencies in internal control over compliance described in the accompanying schedule of findings and questioned costs as items 2019-1 to be significant deficiencies.

The Housing Authority of the City of New Bern's response to the internal control over compliance findings identified in our audit are described in the accompanying schedule of findings and questioned costs and corrective action plan. The Housing Authority of the City of New Bern's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

SECTION II – FINANCIAL STATEMENT FINDINGS

Finding 2019-1

SIGNIFICANT DEFICIENCY

Criteria: In accordance with generally accepted accounting practices, the Authority should maintain sufficient documentation to verify tenant eligibility.

Condition: On September 14, 2018, the Authority was severely impacted by a natural disaster. Hurricane Florence destroyed 108 resident units and the administration building. Original documents such as bank statements, invoices, payroll records, and tenant files were also destroyed. Most of the Authority's accounting records were backed up off site with the exception of all tenant files for current, former, and rejected tenants; no copies, either physical or electronic, were maintained of the files.

Effect: The Authority cannot prove that tenants were properly rejected or that they meet income eligibility requirements.

Cause: A natural disaster happened and there was no back up plan in place.

Recommendation: The Authority should develop a plan to back up tenant files either physically or electronically.

Views of Responsible Officials: We agree, and had started the process to electronically back up all documents in early 2019.
